

Zin Htet Hlaing

Personal Profile

I'm a motivated Full-Stack Developer with a strong foundation in React, TailwindCSS and backend skills with Node.js, Express.js, PostgreSQL with Prisma.

With 3 months of Freelance Frontend Developer Intern, I've built mobile-responsive applications using React, TypeScript, and Tailwind CSS, and TanStack Query.

I enjoy building real-world projects, continuously improving my skills, and working toward becoming a well-rounded full-stack developer.
